Dear Parent/Guardian:

To aid the school district in providing the required number of educational minutes yearly and to avoid disrupting the start of the school day, Transportation is implementing the following "Snow Schedule". There may be the need to call a two hour delay or "snow day." This would only happen in the event of very severe weather conditions.

When snow is present school buses will stay on Hwy 88 & 26 only. If Parents are unsure please call for **209-257-5355** information. Transportation will have designated stops along Hwy 88 where parents may take their students. Parents are responsible for the safety of their students until buses arrive. The following schools / routes will be serviced as follows: **The below bus schedule affects students above Ridge Rd & Hwy 88 in Pine Grove.
